EDUCATION

Degree/Certificate	Institute/Board	CGPA/Percentage	Year
B.Tech., CSE	National Institute of Technology, Patna	8.71	2024-2028
Senior Secondary	Manava Bharati International School/CBSE	93	2024
Secondary	Manava Bharati International School/CBSE	95.6	2022

PROJECTS

- **AI Code Assistant** March 2026 -Present
Tools:[Node.js, Express.js, MongoDB, Mongoose, EJS, OpenAI API, Express Session]
 - Developed a web-based code management platform enabling users to create, store, and manage coding projects efficiently.
 - Implemented user authentication and session-based access control to provide secure and personalized project management.
 - Designed MongoDB database models and backend APIs using Express.js and Mongoose for efficient code storage and retrieval.
 - Developed AI-assisted code explanation and debugging features to enhance code understanding and streamline issue resolution.
- **School Management Smart Contract** June 2026
Tools:Solidity, Remix IDE
 - Developed a smart contract-based student management system using Solidity.
 - Implemented student registration, retrieval, and deletion functionalities using mappings and structs. input validation through require statements to prevent duplicate student entries and invalid operations.
 - Maintained student records on-chain and tracked the total number of registered students.

SKILLS

- **Programming Languages**:C, C++, Java, Python, JavaScript
- **Frameworks**:ExpressJS, EJS
- **Backend API**:Node.js, REST API
- **Database**:MongoDB, MySQL
- **Technologies**:HTML, CSS, Blockchain
- **Tools**:Git, GitHub, VS Code, Jupyter Notebook, Remix IDE

CERTIFICATIONS

- **Byteverse 7.0 Hackathon** [Certificate of participation](#) 2025
- **Python** [Scaler Topics](#) 2025
- **3 Month Global Leadership Program on Systems Thinking** [Rishihood University](#) 2025
- **Microsoft** [Introduction to Generative AI and Agents](#) 2026
- **AWS AI Practitioner Challenge** [Udacity](#) 2026

ACHIEVEMENTS

- [Solved 250+ Data Structures and Algorithms problems on LeetCode.](#)
- [Secured 97% in NPTEL's Joy of Computing using Python](#)
